

# Are you...

a freelancer

an artist

a telecommuter

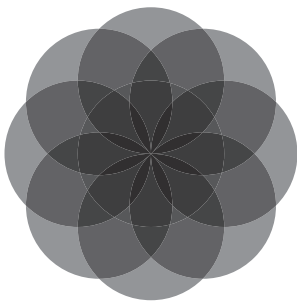

a musician

a creative mind

a community member

# Do you seek...

a collective work space  
outside your home?

## The Gathering Resonance Collective

may be the place for you

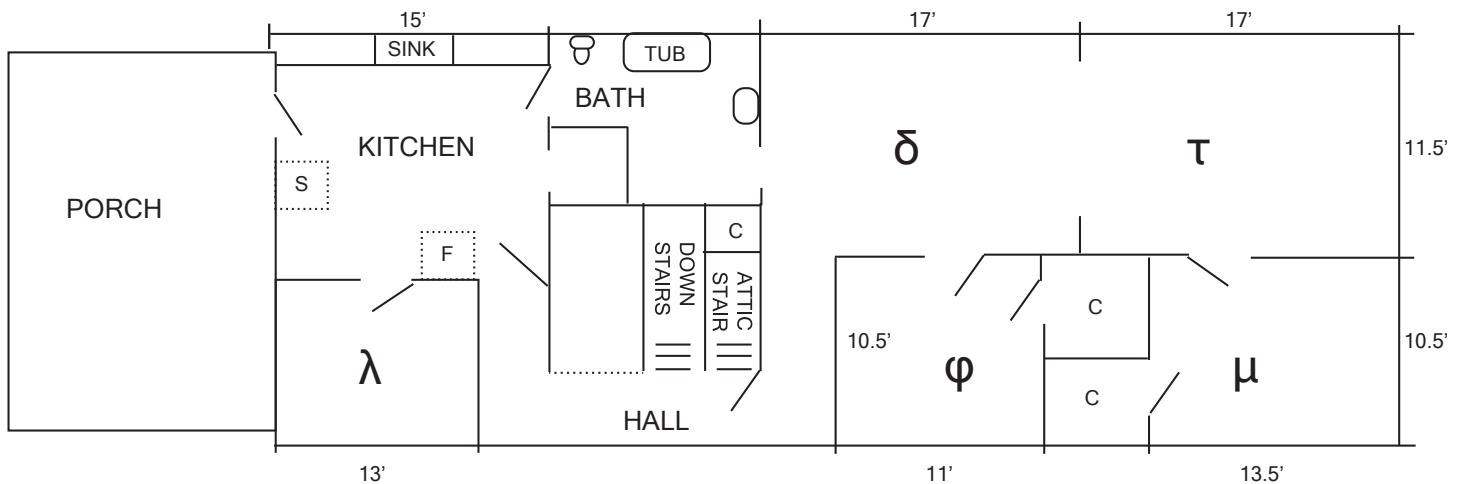

# What is it?

An experiment and exploration in shared, alternative space to foster our individual growth and learning, share ideas and knowledge, and support our collective projects. **The GRC** seeks to create an infrastructure to support these ideas.

## What Kinds of Space?

Co-working | Community Org Meetings | Music Room Practice | Special Projects One on One Meetings | Group Dinners/Potlucks | Small Workshops.

## The Floor Plan

**λ lamda** - rear room off kitchen, currently available possible art studio or other maker space \$175/month

**φ phi** - middle room off of delta room, currently to be used by Chloe for Sanctuary School, \$200/month

**μ mu** - corner bedroom off of tau room, currently to be used by Peyton for Open Labs computer space with some computers set up and space to work on computer and phones

**δ delta** - middle large room in between walk-thru bathroom and tau room, has a closet next to bath entrance and alternate hall entrance from outside, possible use- large table for meeting, work space, dining space, chill area with stereo and couch or comfy chairs

**τ tau** - corner large room, possible use mainly kept open for dance parties, kid play area, stretching, perimeter could have individual desks (six-eight) for work or study members

**Kitchen** - stocked with shared items for members and some items to be offered for guests (whether meeting groups or friends and invited people,

**Back Patio** - Common Space, possible plants, beehive, outdoor chairs and table

**Bathroom** - is the primary route between kitchen and other rooms

# Membership Information

## Expectations of Space

Peyton's agreement (as leaseholder) with Sarah and Clare (owners), no intoxication, minimal alcohol use to respect work and energy of pink house studio, leave space better than we found it. Coordination with Pink House calendar so possible events do not conflict with the studio.

## Tiered Structure for Access

**\$100** (?as space develops drop to \$80) for full access & ability to book workroom space recruit 8 people who can contribute this amount, keyed access

**\$50** (?) for Common rooms & Kitchen space, day rate, maybe have hourly rate also no key, coordinate with a member for access

**Shared Calendar** for access of space. First come first served in terms of booking spaces and rooms.
